For example if you need the 47959, when you enter (1) in the "# of Cases Needed" column and click add to cart, you will be receiving (30) of the lamps because that is how many come in a case.

Check Out:

1. Once all lamps have been added to your cart, click on the shopping chart in the upper right hand corner

- 2. Review your entire order for accuracy and type your name in the "Order Entered by" field
 - a. Review the column "Quantity Shipping to You" this shows how many of each lamp you will be receiving.
